

Figure 1 shows a plot of the normalized velocity profile u^+ versus the normalized distance y^+ . The x-axis, labeled y^+ , ranges from 1 to 21 with major ticks every 2 units. The y-axis, labeled u^+ , ranges from -1.0 to 1.0 with major ticks every 0.5 units. The plot displays a dashed horizontal line at $u^+ = 0$ for all values of y^+ shown.

y^+	u^+
1	0.05
3	0.05
5	0.05
7	0.05
9	0.05
11	0.80
13	0.65
15	0.55
17	0.45
19	0.35
21	0.25
